

Adobe Security Update For Flash Player

Adobe has released security updates to address vulnerability affecting Flash Player. An attacker could exploit this vulnerability to take control of an affected system.

CERTT.NG encourages users and administrators to review Adobe Security Bulletin in the links below and apply necessary updates.

<https://helpx.adobe.com/security/products/flash-player/apsb20-58.html>

The logo for CERRT.NG features the text 'CERRT.NG' in a large, bold, serif font. The letters 'C', 'E', 'R', 'R', 'T', and the period are colored in a dark red, while the letters 'N', 'G' are colored in a dark green.
